

Robotboy

Robyn

Hey now boy,
Where you bin?
Smashed up toy,
are you lost again?
Your circuits blown,
will you find your
coordinates home?Your batteries low,
did you crash again?
Robotboy, do you
need a friend?
Hey little droid,
Is your head on wrong?Na na naah na na na
Na na naah na na na
Nah nah nah nah nah nah nah nah nah
Na na naah na na na
Na na naah na na na
Nah nah nah naah nah nah naaaaahHey little prince,
you've lost control.
Calander boy,
are you growing old.
Your radar's jammed,
shut your lasers down
while you can.Hush now boy,
please give in.
Robotboy, you've
reached the end.
Hey little droid,
let your X-ray shine.
Na na naah na na nah
Na na naah na na nah
Nah nah nah nah nah nah nah nah nahNa na naah na na nah
Na na naah na na nah
Nah nah nah naah nah nah naaaaahNa na naah na na nah
Na na naah na na nah
Nah nah nah nah nah nah nah nah nahNa na naah na na nah
Na na naah na na nah
Nah nah nah naah nah nah naaaaah
