

# Season (Album Version)

## The Academy Is

Wake up  
Think fast  
Three weeks have passed  
We are changing  
No sleep  
No gas  
No excuses will pass these lips  
'Cause we're shaping up to be all you wish you could have been  
To write the hits and to turn their heads  
And to open eyes to a brand new season  
A brand new season  
So show me something we haven't heard yet  
But I'm not convinced and your heartless songs won't stick  
But I  
I'll sing you something you won't forget  
For the first time I know this is now who I am  
Wake up  
Think fast  
Three weeks have passed these lips  
'Cause we're shaping up to be all you wish you could have been  
To write the hits and to turn heads  
And to open eyes to a brand new season  
A brand new season  
So show me something we haven't heard yet  
But I'm not convinced and your heartless songs won't stick  
But I  
I'll sing you something you won't forget  
For the first time I know this is now who I am  
You'll see what we mean  
You'll notice when we're gone  
So show me something we haven't heard yet  
But I'm not convinced and your heartless songs won't stick  
But I  
I'll sing you something you won't forget  
For the first time I know this is now who I am
