

# Time That Remains

## Three Days Grace

Don't do as I have done  
Win where I have lost  
Have where I have none  
Don't let your demons drive  
They'll just steer you wrong  
You wont get out alive  
Cause you can't un-live the pain  
You cant rewind to yesterday  
You might never find your place, in the time that remains  
So if tomorrow never comes  
From living fast and dying young  
I hope the best has yet to come in the time that remains for you  
Don't get me wrong  
The mistakes I've made along the way  
Made me who I am today  
The time is gonna come  
You will wake up and realize just how fast your life goes by  
Cause you can't un-live the pain  
You cant rewind to yesterday  
You might never find your place, in the time that remains  
So if tomorrow never comes  
From living fast and dying young  
I hope the best has yet to come in the time that remains for you  
'Cause you can't un-live the pain  
You cant rewind to yesterday  
You might never find your place, in the time that remains  
So if tomorrow never comes  
From living fast and dying young  
I hope the best has yet to come in the time that remains for you  
The time that remains for you  
For you  
The time that remains  
The time that remains
