

# River People

## Madina Lake

i'll take your crystal ball  
and make this crystal clear, that i won't stand back  
and i won't drown right here  
i'll never wait  
i'll make a million mistakes  
but to be content is to be a disgrace they crawl in your head  
they dig in your bones if you let them, they won't let go  
they have no hope  
they have no soul if you let them then they'll take yours  
you think it feels better on the other side  
cause their grass is green and your grass is diseased  
every day drowns in lethargy but to be content is to burn way they crawl in your head  
they dig in your bones if you let them, they won't let go  
they have no hope  
they have no soul if you let them then they'll take yours when you die you want the world to  
remember you for who you really are  
and when you die you want to love yourself cause you'll be all alone  
they crawl in your head  
they dig in your bones if you let them, they won't let go  
they have no hope  
they have no soul if you let them then they'll take yours  
they crawl in your head  
don't fear the unknown, cause you'll let the unknown take control  
so let yourself go, and let yourself grow don't you let 'em dig you a hole
