

# Sunrise

## TOTEM

We understand that love is not a fair thing  
No one connects just like in movies  
Yeah, you gotta finesse it  
There's no thing as free love  
Just me and you and the whole world  
Making the better things count Ooh, the moment has come  
Are you coming home with me tonight?  
Ooh, having so much fun  
Think we should keep going till the sunrise  
I didn't come here looking for a sure thing, no  
But we connected like in movies  
No, no need to be drinking, my courage ain't in doubt  
Just me and you in the garden  
That's what tonight is about
