

Fade Into Me

David Cook

All I feel now is the weight of the day
I need you with me to push heaven away
When we disappear into each other
Our colors appear and bleed into one
Fade into me, fade into you
The two of us melting together
until we become something new
and we can't escape
and watch the world chasing to find us
both of us hidden from view
if you fade into me
When I'm broken, you're the one thing I need
Like an ocean, I feel you crash over me
We disappear into each other
our colors appear and bleed into one
Fade into me, fade into you
The two of us melting together
until we become something new
and we can't escape
and watch the world chasing to find us
both of us hidden from view
if you fade into me
Let go, fall in and drown in the moment with me
Sink in till we start to break
Fade into me, fade into you
The two of us melting together
until we become something new
and we can't escape
and watch the world chasing to find us
Oh fade into me, fade into you
The two of us melting together
until we become something new
and we can't escape
and watch the world chasing to find us
both of us hidden from view
if you fade into me
fade into me...
fade into me...
