

Aradia

Inkubus Sukkubus

Mother Diana, Queen of Wytches
Stars in the Heaven obey your calling
Mother Diana, temptress, sorceress
Spinning your magick above the earth
Bore ye Aradia, daughter of incest
Wytch child of Lucifer, teacher divine
Bore ye Aradia, daughter of incest
Wytch child of Lucifer, teacher divine
Mother Diana, Queen of Wytches
Stars in the Heaven obey your calling
Mother Diana, temptress, sorceress
Spinning your magick above the earth
Bore ye Aradia, daughter of incest
Wytch child of Lucifer, teacher divine
Stregoni, stregoni sulla terra
Lucifer, Diana, strega Aradia
La Vecchia Religione
Lucifer, Diana, strega Aradia
La Vecchia Religione
Stregoni, stregoni sulla terra
Bella strega Aradia
Stregoni, stregoni sulla terra
Bella strega Aradia
Lucifer, Diana, strega Aradia
La Vecchia Religione
Lucifer, Diana, strega Aradia
Spinning your magick above the earth
Stregoni, stregoni sulla terra
Bella strega Aradia
Stregoni, stregoni sulla terra
Bella strega Aradia
