

# It's the Same Old Song (Mono Single Version)

## Four Tops

You're sweet (you're sweet) as a honeybee  
But like a honeybee stings  
You've gone and left my heart in pain  
All you left (all you left) is our favorite song  
The one we danced to all night long  
It used to bring sweet memories (Sweet memories)  
Of a tender love that used to be Now it's the same old song  
But with a different meaning since you been gone  
It's the same, same old song  
But with a different meaning (Since you been gone)  
And it breaks me up to hear it  
Ah, oh, ah, sentimental fool am I (Sweet memories)  
To hear a old love song and want to cry  
But the melody keeps haunting me  
Reminding me how in love we used to be  
Keep hearing the part that used to touch our hearts  
Staying (Together forever)  
Darling (Breaking up never) (Now it's the same old song) Can't bear to hear it  
(With a different meaning since you been gone)  
Oh, it hurts to hear it  
It's the same old song  
But with a different meaning since you been gone Precious memories keep a-lingering on  
Every time I hear our favorite song  
Now you've gone  
Left this emptiness  
I only reminisce the happiness we spent  
We used to dance to the music (We used to dance to the music)  
Make romance to the music (Make romance to the music)  
Now it's the same old song  
But with a different meaning since you been gone  
Now it's the same old song  
But with a different meaning since you been gone  
I, oh, I can't bear to hear it  
It's the same old song  
(But with a different meaning since you been gone)  
Ooh, it breaks me up to hear it)  
It's the same old song  
But with a different meaning
