

SZNS (feat. A Boogie wit da Hoodie)

Dinah Jane

Even when it storm, we beat the rain
'Cause we been through a thousand sunny days
We got seasons, baby (Ayy, Spring, Summer, Fall) We got seasons, baby (Yeah, we been
through it all) Summer through the winter, we been through it
Might fall but spring back to it
We got seasons, baby (Ayy, Spring, Summer, Fall)
We got seasons, baby (Yeah, we been through it all) I wanna be in love but I don't have a heart
no more
Can I just use yours? Ooh
Battle of scars I can show you
Yeah yeah
You give me a love, that ghetto love
It find a way, whoa
So get it wrong (Get it wrong)
And we get it right (Get it right)
We be off, then we be on it
'Cause love sucks, let's be honest
Season out, season in Hey ma, wassup?
How you doin'? I'm straight
You smart, you cute
So are you, yeah yeah
I'm here for you
And I'm here for you too
Say word, which one?
I do
Even when it storm, we beat the rain
'Cause we been through a thousand sunny days
We got seasons, baby (Ayy, Spring, Summer, Fall)
We got seasons, baby (Yeah, we been through it all) Summer through the winter, we been
through it
Might fall but spring back to it
We got seasons, baby (Ayy, Spring, Summer, Fall)
We got seasons, baby (Yeah, we been through it all) Oh, oh-oh
Oh-oh
We got seasons on seasons
Oh-oh
Shit, I just can't see me leavin', nah Will I ever find love again? Still I try
I can't seem to get you off my mind
I still miss it when you call my line
Yeah, look It's alright, you say you not perfect but you look just fine
You're not perfect but you're just my type
Can we start this over, baby, one more time?

Yeah, ooh You think I'm a dog, yeah (Ayy)
Just tell me your confessions, take my hand (Yeah)
I don't wanna see you cry again
Would you still love me if I died? Yeah You don't believe in no sorry
Just tell me that you wanna be with me all day
Tell me that you rockin' with me long way
I can put Chanel on your purse and Givenchy, yeah
Love me all day, yeah Would you ride for me?
Ten toes down for me?
Do some time? I need to know
Need you there to hold me down When I'm actin' out
Let's put our pride aside, we're conversatin'
I need your patience with no hesitations
I'm done with the game, I'll take your last name, oh Even when it storm, we beat the rain (Oh)
'Cause we been through a thousand sunny days (We been through it all)
We got seasons, baby (Ayy, Spring, Summer, Fall)
We got seasons, baby (Yeah, we been through it all) Summer through the winter, we been
through it (Winter and the fall)
Might fall but spring back to it (We been through it all)
We got seasons, baby (Ayy, Spring, Summer, Fall)
We got seasons, baby (Yeah, we been through it all) Oh, oh-oh (Ooh, ooh)
Oh-oh
We got seasons on seasons
Oh-oh
Shit, I just can't see me leavin', nah Oh, oh-oh
Oh-oh
We got seasons on seasons
Oh-oh
Shit, I just can't see me leavin', nah
