

Annabelle's Homework

Alec Benjamin

Careful as I write her name
On the corner of the page
Make it look like it was her
All along, and I
Put the paper in my bag
As I am walking back to class
And the notes I wrote
That took me so long
She doesn't notice me
She just smiles and says
"Thank you for the
Trigonometry"
'Cause that's all it meant to her
But I spent
22 days and 21 nights
Crossing every T
Just making it right
Only to discover
It's not worth
Doing Annabelle's homework
Doesn't matter how many papers I write
End of the equation won't be you and I
And now I am just another who got hurt
Doing Annabelle's homework
Oh-oooh-oh, oh-oh-oh
Oh-oooh-oh, oh-oh-oh
Oh-oooh-oh, oh-oh-oh
Doing Annabelle's homework
Careful as I walk away
So she can't see it on my face
How I look and now I'm feeling so bad
I'm disappointed in myself
'Cause I know love is not for sale
Oh, my mother raised me better than that
She doesn't notice me
She just smiles and says
"Thank you for the
Geography"
'Cause that's all it meant to her
But I spent
22 days and 21 nights
Crossing every T
Just making it right
Only to discover
It's not worth

Doing Annabelle's homework
Doesn't matter how many papers I write
End of the equation won't be you and I
And now I am just another who got hurt
Doing Annabelle's homework
Oh-ooh-oh, oh-oh-oh
Oh-ooh-oh, oh-oh-oh
Oh-ooh-oh, oh-oh-oh
Doing Annabelle's homework I'm alive, you don't know I'm here
Just circling around in your atmosphere, yeah
I'm alive, you don't know I'm here
Just circling around, just circling 22 days and 21 nights
Crossing every T
Just making it right
Only to discover
It's not worth
Doing Annabelle's homework
Doesn't matter how many papers I write
End of the equation won't be you and I
And now I am just another who got hurt
Doing Annabelle's homework
Oh-ooh-oh, oh-oh-oh
Oh-ooh-oh, oh-oh-oh
Now I am just another who got hurt
Doing Annabelle's homework
