Just a Fool (feat. Blake Shelton)

Christina Aguilera

Another shot of whisky please bartender Keep it coming 'til I don't remember at allHow bad it hurts when you're gone Na Na Na Turn the music up a little bit louderJust gotta get past the midnight hour Maybe tomorrow it won't **BeThis** HardWho am I kidding I know what I'm missing I I had my heart set on you But nothing else hurts like you do Who knew that love was so cruel Yeah yeah yeah And I Waited and waited so long For someone who'll never come home It's my fault to think you'll be trueYeah yeah I'm just a foolYeah I said that I don't care And walk away whatever And I tell myself we were bad together But that's just me trying to move on With OutYou But who am I kidding I know what I'm missing T I had my heart set on you But nothing else hurts like you do Who know that love was so cruelYeah yeah yeah And I Waited and waited so longFor someone who'll never come home It's my fault to think you'll be true (yeah yeah) I'm just a fool For holding on to something that Never ever gonna come back I can't accept that it's lost I should have let it go Held my tongue Kept my big mouth shutCause now everything's so wrong Ooooh wrong I'm just a fool

A fool for you I'm just a fool I had my heart set on you But nothing else hurts like you do Who knew that love was so cruel Yeah yeah yeah And I Waited and waited so long For someone who'll never come home It's my fault to think you'll be true Yeah yeah I'm just a fool I'm just a fool I'm just a fool It's my fault to think you'll be true Yeah yeah yeah I'm just a fool Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
