

# Hey Love

Jason Mraz

(Ba dah bum bum bum, ba dah buh da bums) Stay, Hey love, where you going to?  
You're not sleeping anymore, you're just trying to.  
Hey, Stay love, where you running to?  
Awful happens all the time, don't let it kill you. I said easily with me I feel as fast as I can see.  
Just afraid of all the horror stories I fall down on my knees. Come away, come away  
From all these things unheard  
If a chosen word has got you cornered  
Then it's a lesson learned  
Like close the book before it burns you now  
Come away, come away  
From all these things unseen  
At the price you paid I promise you won't believe anything they say  
Belief will only disappoint you now Well in case you never noticed the path you never chose  
has chosen you.  
Don't be afraid to face and break it, your secrets safe  
Don't be afraid to face and break it, your secret stays, stays, stayin'  
Hey, Hey Love, where ya goin', ya goin' to?  
Your not sleeping, your not sleeping here, no not  
Hey Love, Hey Love, Hey Love,  
where you running to?  
Awful happens all the time, try not to let it kill you. (Ba dah bum bum bum, ba duh bum bums)
