I just want to cop me a Diablo
On my dawg I slide in your DM's
Send a couple eyes, I ain't really sending no hearts though
Hit it from the back one one time
Then call, that's a hit and run b*tch, call Geico
6 karats hanging out my motherf*ckin' earlobe
Shinning like the glove on Michael (Jackson)
Got a couple hits, but he ain't write though
Richard Mille cost me a Rari
I don't 'Playboi', I'm not Carti
Left a wet dream on a Barbie
Hit her best friend and she caught me
Hit her other friend she was going though
Car in Zone 6, but it's foreign though
Treat my b*tches like Jordans though
Only hit retro 10 when it's boring though
Savage got a Enzo, Benzo (Skrrt)
I don't got a whole lotta friends though
But I got a whole lotta M's though
B*tch, you wasn't with me shooting in the gym
In the club, iced out, snatch my chain

Get stomped by a whole lotta Timbs' though
I'm dunkin' on' your b*tch like Tim bro
I let the block hit her, she Mutombo

Offset patient cause my heart beat racin'
So impatient 'cause I'm goin' big places
Mr. Showroom floor, make the store get vacant
And my b*tch so bad, made your hoe get naked
SV Enzo, hard top glacier
Pull up in the trey for the long range facial
Deep dish, big lip, rim Fantasia
And I keep Benzo tucked (Yeah)
Copped two Maybach trucks (Yeah)
Icy like a polar bear
Put Guwop on all my wheels
