Delilah

Heavy D

Yo, check this out man, Delilah Delilah, Delilah

Delilah, Delilah, Delilah, DelilahA mi seh, oh Delilah, Delilah How yuh a go dance and yuh can't even buy new shoes? How yuh a go boogie when yuh can't even find yuh groove? But yuh still mek moves, a mi seh, oh DelilahShe's a teenager, but with the pressures of the world

On her shoulders she's much older

Sweet sixteen already a baby's mother, baby father on the move

A mi seh, oh Delilah, check it A mi seh, oh Delilah, Delilah

How yuh a go dance and yuh can't even buy new shoes?

How yuh a go boogie when yuh can't even find yuh groove?

But yuh still mek moves, a mi seh, oh Delilah

She's always struggling and trying to do better

But it seems like this life just won't let her

So she still mek moves, and she still haffi dance

And boogie without her shoesDelilah oh, Delilah, pretty baby

How yuh feel when yuh walk dung a empty road?

Pretty girl and, how yuh feel when yuh just can't bare yuh load?

Yuh haffi cry on yuh own, a mi seh, oh DelilahA mi seh, oh Delilah, Delilah

How yuh a go dance and yuh can't even buy new shoes?

How yuh a go boogie when yuh can't even find yuh groove?

But yuh still mek moves, a mi seh, oh DelilahA mi seh, ooh, hey, haffi dance and get up

People haffi dance and get up

People yuh haffi move and get up

People yuh haffi dance and get up

People yuh haffi move and get up

People yuh haffi dance and get up

A mi seh, oh Delilah

A mi seh, ooh, hey, haffi dance and get up

People haffi dance and get up

People vuh haffi move and get upPeople vuh haffi dance and get up

People yuh haffi move and get up

People yuh haffi dance and get up

A mi seh, oh DelilahA mi seh, oh Delilah, Delilah

How yuh a go dance and yuh can't even buy new shoes?

How yuh a go boogie when yuh can't even find yuh groove?

But vuh still mek moves, a mi seh, oh Delilah
