Shake that ass if u a nasty girl

Show a nigga some tities like girls gone wild
Tear off this clip of clothes, i wanna see u in the nude

You can keep on your high heel shoes
So follow me down to yellow brick road
Where niggas go to see naked hoes
Shake that shit bitch
And be off in the club with a hard ass dick
Then drop like this bitch
If you wanna make the money shawty work that shit
Put a hump in your back
And lick it raw
To a 3 point stance
