Love Is the Message (feat. Raekwon)

Cappadonna

Remind me Tuesday I gotta go handle my business Know what I'm saying? Straight up (Love is love) Yo, don't play with them shits up in here Them shits is dangerousHey yo, hey yo, hits Sally Timbaland grand finale Damn imagine bringing back Alam Skin Bally's Glass of this, leather dick down status That's crabbage, can't see the real so you average Drip cammo Who carry Van Damme ammo? Nike Airs Uptown put the Benz van yo Chilling with niggaz who real Who respect real Big us get your wig touched crib rushedRecord and command Slam jams for my mans Puff trees, tuck these ruggers in your lands Cemented, bent out of shape mend it Represent spin been through it GodHold the Mac splendid Time Balotti rap version of the black Gotti Rob me God'll act ungodly What never been done before It's real son you gum it out Run it in the gun store Everyday all day Fat like Bob Rockaway Dipped in the latest spot me right away Wu Tang executive new Donna Jay Darts in your area that's how I play Nobody else shouldn't really have a say When it come down to this Shaolin, U.S.A.Represent fully give me your air space Razor Sharp label keep coming out the face Make room as I step up to the plate RZA create sounds of earthquakes Make no mistake kid y'all just faking Cross-over cats that love to eat bacon WTC rush like Regan Crush your little song while you on your knees beggingWho that nigga right there? Son he trust me, watch this shit right hereWe see y'all niggaz in the back all tread out Throw the heat out Ready to stop all beef out

Play me, maybe you will catch more gravy kid We ill in the back feeling on your ladiesWe see y'all niggaz in the back all treed out Throw the heat out Ready to stop all beef out Play me, maybe you will catch more gravy kid We ill in the back feeling on your ladiesDripped out dip promoter Dead arm that nigga trying to get up over Thinking he clever but he rolled up Fronting on the God yo Acting like that cheese ain't right Aight that night dunn rolled on the micJumping out the Lex door suede lugz on Looking like he worth ten thousand on the arms Cuban connect I had it smashed This is Godville kid we real Staring at his steel dunn askJewels that he rocking Bone bracelet had laced kid Screaming on his neck Lex rocking Nigga had a fat lab Hundred bag, tools you had Ohh, little wifey had it all with a fat assWhat you wanna eat boo? The rent's due Niggaz wanna get you You need to put a laser on your shit boo Sat there bluffing, saying nothing Looking at bird pop shit Acting like she bugging 18 karat gold and fresh boots Me and my team regulate to the roots Big pockets, blow mics out the sockets Condominium, Karl Kani denim Where the honey's at? We be getting up in them A whole lot of dollars and real scholars The Wu got knowledge Represent 5 percent, or 100 percentPay attention to the stretch Lincoln Drinking Evian Don-Don Stay calm under pressure Break the sound barrier Big Wu Tang trucks roll in your areaWallabees for life, we too hype One ring with the ice Don't stress it What, love is the message18 points on my brand new record Dart clapper, ran like a snapper Watch out for Cappa Make way Y'all cats ain't ready for me and the DJWe see y'all niggaz in the back all treed out Throw the heat out Ready to stop all beef out Play me, maybe you will catch more gravy kid We ill in the back feeling on your ladiesWe see y'all niggaz in the back all treed out Throw the heat out Ready to stop all beef out Play me, maybe you will catch more gravy kid We ill in the back feeling on your ladiesDu-du, number one Dance hall storm Yo, yo, yo, yo
