

S. A. D.

Kirin J Callinan

Nobody gotta leave tonight
Just another song about drugs
You know?
(No caffeine pushing through to tomorrow)
Everybody can believe tonight
(That can't be true)
Just another song about drugs Sweet dreams and high hopes
To black sleep and no hope
Deep breaths don't choke
Mum's got your hand
Understand every man is someone's son
(Understanding forever)
So get a lung full of dope smoke
Now you're laughing at my jokes
Laugh louder at my sick jokes
We're getting deep again
Life begins at 1 A. M, so
Nobody gonna leave tonight
(Do dreams come true?)
Just another song about drugs
(No caffeine pushing through to tomorrow)
Everybody can believe tonight
(That can't be true)
Just another song about drugs I love you
I love you
I love you too
Wrapped up in plastic
Thrown down the stairs
Feeling fantastic
Strip me down to my underwear
(Cause I'm the kind of guy)
My higher self, self-aware
Aware enough, 'nuff to know
(My choices are my own)
But I can't breathe again
I can't trust my friends
(I believe in god)
Now my second one
Coming on strong
I think I might be high Nobody gonna leave tonight
Just another song about drugs
(Gotta leave)

(No caffeine pushing through to)
Everybody can believe tonight
(That can't be true)
Just another song about drugsUh
I've got, a rock Voight-Kampff
Living on my bed with my microphone
Pulling cones on the couch
Cold beer
Little me out
Chicken dinner[?] Moon again
I knock it back again
Ringing it back again
I bring it back again
Kirin J CallinanNobody gonna leave tonight
You know what I need tonight
EnoughEverybody can believe tonight
(That can't be true)
Just another song about drugs
(Just another song about drugs)Nobody gonna leave tonight
(Nobody gonna leave tonight)
Just another song about drugs
(Just another song about - bout - bout - bout - drugs)Everybody can believe tonight
(Everybody can believe tonight)
Just another song about drugs
Nobody gonna leave tonight
Everybody can believe tonight
Just another song about drugs(Nobody gonna leave tonight)
Nobody gonna leave tonight(Everybody can believe tonight)
