May You Never Be Alone (Remastered)

Wanda Jackson

(May you never be alone like me) Like a bird that's lost its mate in flight I'm alone and oh, so blue tonight Like a piece of driftwood on the sea May you never be alone like meI believed the lies you told to me When you whispered dear I worship Thee Now here am I alone and blue All because I loved no one but you In the Bible, God's own words to say For every wrong someday you'll pay Now I pray the Lord to set me free May you never be alone like me May you never be alone like me Song Discussions is protected by U.S. Patent 9401941.
