Diamond on my wrist and it look like glue  
Diamond on my wrist and it look like glue  
Walk in the club and I flex like ouu  
Walk in the club and I flex like ouu  
Maison Margiela all over my shoe  
Maison Margiela all over my shoe  
Pull up swerving in a coupe  
Pull up swerving in a coupe  
Pull up swerving in a coupe  
Pull up swerving in a coupe  
Move them bricks to the bando like, ouu  
Diamond on my wrist and it look like glue  
Walk in the club and I flex like ouu  
Maison Margiela all over my shoe  
Made a couple bands in the kitchen (kitchen)  
Made a couple bands water whippin' (brrr)  
Take a nigga bitch go missing, ouu

Left four bands in trap (trap)  
Left four bands in trap (four)  
Smoking on loud pack, ouu

Move them bricks to the bando like, ouu

Diamond on my wrist and it look like glue  
Diamond on my wrist and it look like glue  
Walk in the club and I flex like ouu

Maison Margiela all over my shoe

Maison Margiela all over my shoe  
Pull up swerving in a coupe  
Pull up swerving in a coupe  
Pull up swerving in a coupe  
Pull up swerving in a coupe  
Move them bricks to the bando like, ouu  
Diamond on my wrist and it look like glue  
Walk in the club and I flex like ouu  
Maison Margiela all over my shoe
