Keep Up (feat. Ayah)

[Slakah the Beatchild](#)

Catch me if you can
Catch me if you can
Catch me if you can
I know that you could be here
But I don't know if you can keep up
Catch me if you can
Catch me if you canSorry
If I hurt you
I didn't know
How it would affect you.
The truth is
I never did leave you behind
It's not me you got to remind
It's like you live in rewind
I press play and go forward in time.
