You know I been tryna work it (Yeah, yeah)
You know ain't nobody perfect (Yeah, yeah) Go ahead, go talk about me (Me)
You don't know the half of the shit that I've seen (I've seen)
Go ahead and tell them whatever you heard (What you heard)
I been different on the surface (Yeah, yeah)
You know ain't nobody perfect (Yeah, yeah)
I am blessed by the heavens, someone's got a hold on me
Sweet, but I get rough, just what I wanna be
What I wanna be, just what I wanna be
I don't know you, but I am blessed by the heavens, someone's got a hold on me
Sweet, but I get rough, just what I wanna be
What I wanna be, just what I wanna be
I don't know you, but I'm just what I wanna be (Nice to meet ya)
(Nice to meet ya)
(Nice to meet ya)
(Nice to meet ya) I used to care way too much (Ah-ah)
Filter myself, I thought I wasn't enough (Enough)
Now I'm givin' myself nothing but love (But love, love, love)
'Cause I know that I am worth it (Yeah, yeah)
I know ain't nobody perfect (Yeah, yeah)
I am blessed by the heavens, someone's got a hold on me
Sweet, but I get rough, just what I wanna be
What I wanna be, just what I wanna be
I don't know you, but I am blessed by the heavens, someone's got a hold on me
Sweet, but I get rough, just what I wanna be
What I wanna be, just what I wanna be
I don't know you, but I'm just what I wanna be (Nice to meet ya)
(Nice to meet ya)
(Nice to meet ya)
(Nice to meet ya) Prrrt!
Who you gon' call when you ain't got the— (Uh)
Me and Meghan run up in the spot like— (Uh)
I pop off 'cause I am the reignin' champ
Please, no comparisons, 'cause you know they can't
Had to cut the grass, there was snakes in the camp
They know I'm the 'Billy, I be laughin'
Ha, ha, ha-ha, ha, ha-ha, ha

One minute I'm nice, the next a monster (Prrrt)My guesthouse alone cost like three tickets
And that Rolls Truck and that paint job real wicked
Used to dumb, dumb myself down for these chickens
Now when dumb, dumb tour guys smile, it be cricketsBoom, I turn every head when I walk in
the room
I'm pretty in real life, hit my pics with the zoom
A ten when they rate it like toon
Elevated to the penthouse, we ain't stoppin' anytime soon (Oh, I'm)Blessed by the heavens,
someone's got a hold on me
Sweet, but I get rough, just what I wanna be
What I wanna be, just what I wanna be
I don't know you, but I'm just what I wanna be(Nice to meet ya) Ah-oh-oh
(Nice to meet ya) Oh-oh-oh-oh
(Nice to meet ya) Oh-oh-oh-oh
(Nice to meet ya)
