

# Anything (feat. Wu-Tang Clan)

SWV

There is nothing I wouldn't do for you  
All that you want, I'll be all that you need  
'Cause boy you know you've got me  
And I'll do anything Anything you wanna do  
I am gonna try to  
Boy, my body's just for you  
Pleasure is the destination  
You can drive us if you choose to  
Anything you wanna do  
I am gonna try to  
Boy, my body's just for you  
Pleasure is the destination  
You can drive us if you choose to Anything you wanna do  
I am gonna try to  
Boy, my body's just for you  
Pleasure is the destination  
You can drive us if you choose to Anything you wanna do  
I am gonna try to  
Boy, my body's just for you  
Pleasure is the destination  
You can drive us if you choose to  
Anything you wanna do  
I am gonna try to  
Boy, my body's just for you  
Pleasure is the destination  
You can drive us if you choose to
