

# Hey!

## Kadebostany

Hey!  
Hey!  
Hey!  
Hey!  
Hey!  
Hey!  
Hey!  
Hey!  
Hey!  
Hey!  
Hey!  
Hey!

If you want to know the way we live, just come to Kadebostany!  
If you want to know the way we dance, just come to my country!

Come and drink your glass of cheap wodka

Let's drink to my country!

Boys in uniform are made of crack

Girls you can have your wings
