

# Alone and Forsaken

## Social Distortion

We met in the springtime  
when the blossoms unfold,  
the pastures were green  
and the meadows were gold.

Our love was in flower  
as summer grew on.

Her love like the leaves  
now have withered and gone.

The roses have faded  
there's frost at my door.

The birds in the morning  
don't sing anymore.

The grass in the valley  
is starting to die,  
and out in the darkness  
the whippoorwills cry.

[Chorus:]

Alone and forsaken  
by fate and by man.

Oh Lord if you hear me  
please hold my hand,  
oh please understand. Oh where has she gone to,  
oh where can she be.

She may have forsaken  
some other like me.

She promised to honor,  
to love and obey.

Each vow was a plaything  
that she threw away. [Chorus]

The darkness has fallen,  
the sky has turned gray,  
the hound in the distance  
is starting to bay.

I wonder, I wonder  
what she's thinking of.

Forsaken, forgotten,  
without any love. [Chorus]
