## Before I'm Dead

## **Kidneythieves**

Moon hangs around

A blade over my head

Reminds me what to do before I'm dead

Night consumes light

And all I dread

Reminds me what to do before I'm deadThe sun reclines

Eats my mind

Reminds me what to leave behind

Light eats night

And all I never said

Reminds me what to do before I'm...To see you

To touch you

To see you

To touch you

Epochs fly, reminds me

What I hide, reminds me

The desert skies

Cracks the spies

Reminds me what I never tried

The ocean wide salted red

Reminds me what to do before I'm...To see you

To touch you

To feel you

To tell youThe sun reclines - remind me

The desert skies - remind me

The ocean wide salted red

Reminds me what to do before I'm...

Echo:

See you

Touch you

Feel you

Tell you
