## On the Lam

## Kele

There's a voice in my head That I probably should have trusted From the start, oh, from the startI've finally flipped out And I'm hiring a detective To find out where I've been Where I've beenThere's a voice in my head That I probably should have trusted From the start, oh, from the start I've finally flipped out And I'm hiring a detective To find out where I've been Where I've beenI'm here, I've been hoping you'd find me I'm here, I've been waiting, waiting for you I'm here, I've been hoping you'd find me Oh, oh, oh, oh I'm here, I've been hoping you'd find me I'm here, I've been waiting, waiting for you I'm here, I've been hoping you'd find me Oh, oh, ohOn the Lam, on the Lam On the Lam, on the Lam
