

Last to Know

Bullet for My Valentine

Here come broken bones!
Where's your sticks and stones?
What'd you use to hurt me?
Something you should know! Cannot take no more!
Time to settle scores!
Filled with rage and fury!
I will knock you out! Hypocrisy from jealousy!
Hypocrisy from jealousy! Lies you spit are harmless to me!
Your spite! Your greed! Your envy!
Why do you stoop so low?
Am I the last to know?
Lies you spit are harmless to me!
Your spite! Your greed! Your envy!
Why do you stoop so low?
Am I the last to know? Where's your big mouth now?
Hope you're fucking proud!
Do you like your bruises?
Now you make no sound! Was your lesson learned?
Now the tables turn!
What were your intentions?
To hell with you! Now BURN! Hypocrisy from jealousy!
Hypocrisy from jealousy! Lies you spit are harmless to me!
Your spite! Your greed! Your envy!
Why do you stoop so low?
Am I the last to know?
Lies you spit are harmless to me!
Your spite! Your greed! Your envy!
Why do you stoop so low?
Am I the last to know? Am I the last to know?
Am I the last to know? Hypocrisy from jealousy!
Hypocrisy from jealousy!
Lies you spit are harmless to me!
Your spite! Your greed! Your envy!
Why do you stoop so low?
Am I the last to know?
Lies you spit are harmless to me!
Your spite! Your greed! Your envy!
Why do you stoop so low?
Am I the last to know?
