

# Ashamed

## Muse

I know there's something that you're dying to tell me  
I hope it's not about your loving  
Make sure no-one finds out  
Tell me all about it  
Don't keep it to yourself  
'cause I can't bear the thought  
I never needed your cry  
But I love your cry  
Doesn't matter, 'cause I'm in control  
I know that you're ashamed  
So emotional that it kills you  
Don't you know that you're ashamed?  
So emotional that it kills you  
There's always something that makes you guilty  
There's still something that you're dying to tell me  
Make sure no-one finds out  
Tell me all about it  
Don't keep it to yourself  
'cause I can't bear the thought  
I never needed your cry  
But I love your cry  
Doesn't matter, 'cause I'm in control  
I know that you're ashamed  
So emotional that it kills you  
Don't you know that you're ashamed?  
So emotional that it kills you
