

Guardians Inferno (feat. David Hasselhoff)

The Sneepers

Getting down and dirty with a procyon lotor
Got no people skills but he's good with motors
That weird thing by his side an infantlized sequoia
The two of them walk by, people say "Oh boy-ya"
They ask me why I'm bringin'
A baby into battle
That's really irresponsible
And getting them ratted
I say" Give me a break
Get off of my back dammit
I didn't learn parenting
My daddy was a planet"
Zardu Hasselfrau
Zardu Hasselfrau
Hey!
Zardu Hasselfrau
Zardu Hasselfrau
Hey!
In these times of hardship
Just remember
We are groot
