

# Is It Just Me?

Sasha Sloan

Is it just me?  
Is it just me? I hate holding babies  
And people tryna save me  
Think religion is a business  
Where you pay for God's forgiveness  
Modern art is boring  
Politicians are annoying  
I don't think love lasts forever  
And old music was better Am I just high  
Or am I kinda right?  
Is it just me or does anybody  
Feel the way that I feel?  
They're just not being real  
Tell me, is it just me or is anybody  
Thinking all the same shit?  
They're just not saying it  
Or is it just me? (Is it just me?)  
Is it just me?  
(Is it just me?) Weddings are outdated  
The show Friends was overrated  
I think rich kids have it easy  
And PDA is creepy  
The internet's obnoxious  
People my age make me nauseous  
I think marijuana's classy  
And doing coke is trashy  
Am I just high  
Or am I kinda right? Is it just me or does anybody  
Feel the way that I feel?  
They're just not being real  
Tell me, is it just me or is anybody  
Thinking all the same shit?  
They're just not saying it  
Or is it just me? (Is it just me?)  
Is it just me?  
(Is it just me?) I should probably bite my tongue, but  
I can't be the only one, yeah  
I should probably bite my tongue, but  
I can't be the only one Oh, is it just me or does anybody  
Feel the way that I feel?  
They're just not being real  
Tell me, is it just me or is anybody

Thinking all the same shit?  
They're just not saying it  
Or is it just me?(Is it just me?)  
Is it just me?  
(Is it just me?)I should probably bite my tongue, but  
I can't be the only one, yeah  
I should probably bite my tongue, but  
I can't be the only one
