

# Long Long Day

Rumer

It's been a long, long day  
I got some run-down shoes  
Ain't got no place to stay  
But any old place will be OK  
'Cause it's been a long, long day  
Goodnight, my love  
I sure been on this road  
For nearly fourteen years  
Can't say my name's well known  
You don't see my face in Rolling Stone  
But I sure been on this road  
Goodnight  
Goodnight, my love  
When I saw him standing there, I said  
"Hey, there's a guy who needs a laugh"  
That's what I said to myself  
What the Hell? We're both alone  
And now I'm standing here in the corner  
Shooting to kill  
It's been a long, long day  
I sure could use a friend  
Don't know what else to say  
I hate to abuse an old cliché  
But it's been a long, long day  
It's been a long, long day
