

Slow Jam

Midnight Star

Excuse me
May I have this dance I was all alone
I was feeling rather low
I needed someone to
Lift my spirits up So I dropped in on a dance
Just to take a glance
And there this sweet lovin' thing was
She was more than enough I asked her for her hand
Said, "Would you like to dance?"
So pleased that I had asked
She quickly took my hand
And we dance and fell in love on a slow jam, yeah, yeah
Play another slow jam
This time make it sweet
A slow jam
For my baby and for me, ooh Play another slow jam
This time make it sweet
(Play) A slow jam
(A slow jam, yeah) Seems what you say is true
I feel the same way too
See, I've waited all night long
Just to dance with you And when you touched my hand
I knew you were the man
To turn my world around
And make my dreams come true
The magic in your eyes
Made me realize
That everything I feel
Has got to be real
And we danced and fell in love on a slow jam Play another slow jam {Ooh... ooh... ooh... }
This time make it sweet
{Play} A slow jam
{Play another-nother slow jam for me and my baby, yeah} Play another slow jam
This time make it sweet {Play another slow jam}
A slow jam
(Yeah, boy...) Play another slow jam
This time make it sweet
Play a slow jam
{For my baby, my baby} Play another slow jam
This time make it sweet
A slow jam
(Ooh, for my baby) Play another slow jam

This time make it sweet
Play a slow jam
{For my baby } (Won't you play another slow jam)Play another slow jam
This time make it sweet {Please Mr. DJ}
A slow jam
{Play, ooh...}Play another slow jam
This time make it sweet
