Slow Jam

Midnight Star

Excuse me

May I have this danceI was all alone

I was feeling rather low

I needed someone to

Lift my spirits upSo I dropped in on a dance

Just to take a glance

And there this sweet lovin' thing was

She was more than enoughI asked her for her hand

Said, "Would you like to dance?"

So pleased that I had asked

She quickly took my hand

And we dance and fell in love on a slow jam, yeah, yeah

Play another slow jam

This time make it sweet

A slow jam

For my baby and for me, oohPlay another slow jam

This time make it sweet

(Play) A slow jam

(A slow jam, yeah)Seems what you say is true

I feel the same way too

See, I've waited all night long

Just to dance with youAnd when you touched my hand

I knew you were the man

To turn my world around

And make my dreams come true

The magic in your eyes

Made me realize

That everything I feel

Has got to be real

And we danced and fell in love on a slow jamPlay another slow jam {Ooh... ooh... }

This time make it sweet

{Play} A slow jam

{Play another-nother slow jam for me and my baby, yeah}Play another slow jam

This time make it sweet {Play another slow jam}

A slow jam

(Yeah, boy...)Play another slow jam

This time make it sweet

Play a slow jam

{For my baby, my baby}Play another slow jam

This time make it sweet

A slow jam

(Ooh, for my baby)Play another slow jam

This time make it sweet

Play a slow jam

{For my baby } (Won't you play another slow jam)Play another slow jam
This time make it sweet {Please Mr. DJ}

A slow jam

{Play, ooh...}Play another slow jam
This time make it sweet
