

Hanging On

Active Child

You know we can get away
Because I'm calling your name
Every day I feel this pain
But you just turn and walk away I just can't keep hanging on
To you and me
I just don't know what is wrong
With you and me Touch me and then turn away
Put your hands into the flame
Tell me if you feel this pain
'Cause I don't want to be your ball and chain I just can't keep hanging on
To you and me
I just don't know what is wrong
With you and me
With you and me
I just can't keep hanging on
To you and me
I just don't know what is wrong
I just can't keep hanging on
To you and me
I just don't know what is wrong
