Taylor Swift

I'm doing good, I'm on some new shit Been saying "Yes" instead of "No"

I thought I saw you at the bus stop, I didn't thoughI hit the ground running each night
I hit the Sunday matinee

You know the greatest films of all time were never madeI guess you never know, never know And if you wanted me, you really should've showed

And if you never bleed, you're never gonna grow

And it's alright now

But we were something, don't you think so?

Roaring twenties, tossing pennies in the pool

And if my wishes came true

It would've been you

In my defense, I have none

For never leaving well enough alone

But it would've been fun

If you would've been the oneI have this dream you're doing cool shit

Having adventures on your own

You meet some woman on the Internet and take her home

We never painted by the numbers, baby

But we were making it count

You know the greatest loves of all time are over now guess you never know, never know

And it's another day, waking up alone

But we were something, don't you think so?

Roaring twenties, tossing pennies in the pool

And if my wishes came true

It would've been you

In my defense, I have none

For never leaving well enough alone

But it would've been fun

If you would've been the oneHey, yeah-yeah

Persist and resist the temptation to ask you

If one thing had been different

Would everything be different today? We were something, don't you think so?

Rosé flowing with your chosen family

And it would've been sweet

If it could've been me

In my defense, I have none

For digging up the grave another time

But it would've been fun

If you would've been the one
