

# Yellow Light

## Of Monsters and Men

I'm looking for a place to start  
But everything feels so different now  
Just grab a hold of my hand  
I will lead you through this wonderland  
Water up to my knees  
But sharks are swimming in the sea  
Just follow my yellow light  
And ignore all those big warning signs  
Somewhere deep in the dark  
A howling beast hears us talk  
I dare you to close your eyes  
And see all the colors in disguise  
Running into the night  
The earth is shaking and I see a light  
The light is blinding my eyes  
As the soft walls eat us alive
