

# We Don't Need You (feat. Vic Mensa)

Tom Morello

We don't believe you, we don't believe you  
Bite the hand that feeds you  
We don't need you, we don't need you  
Bite the hand that feeds you  
Fuck yourself we could never be equal  
Bite the hand that feeds you  
We don't believe you, you need more people  
Bite the hand that feeds you  
Ooh I can stand my ground to this shit  
Tom Morello with Vic Mensa, we on time with this shit  
Militant mindset, 9mm complex  
Two middle fingers to the killers in the Congress  
To live and die black, bury me in Chiraq  
I cock back, pop five and lick his top hat  
They sold our souls for oil to make us buy it back  
Don't lie to me, don't lie to me  
The poor go to war, there's no war on poverty  
Don't lie to me, don't lie to me  
Brown versus Board never gave us equality  
Don't lie to me, don't lie to me  
The cops seize my shit and that's not armed robbery  
Don't lie to me, you can't lie to me  
Your daughter on my dick, fuck parental advisory  
We don't believe you, we don't believe you  
Bite the hand that feeds you  
We don't need you, we don't need you  
Bite the hand that feeds you  
Fuck yourself we could never be equal  
Bite the hand that feeds you  
We don't believe you, you need more people  
Bite the hand that feeds you  
Don't lie to me, don't lie to me  
The poor go to war, there's no war on poverty  
Your privatized prisons supplementing your economy  
Don't lie to me, don't lie to me  
I'm aiming at the pig and I'm tryna hit the lottery  
Don't lie to me, don't bother me  
You can't can or a cage to hold this demon inside of me  
We don't believe you, we don't believe  
you  
Bite the hand that feeds you  
We don't need you, we don't need you  
Bite the hand that feeds you  
Fuck yourself we could never be equal  
Bite the hand that feeds you

We don't believe you, you need more people  
Bite the hand that feeds you
