

# The Beautiful People

## Marilyn Manson

And I don't want you, and I don't need you  
Don't bother to resist, or I'll beat you  
It's not your fault that you're always wrong  
The weak ones are there to justify the strong  
The beautiful people, the beautiful people  
It's all relative to the size of your steeple  
You can't see the forest for the trees  
And you can't smell your own shit on your knees  
There's no time to discriminate  
Hate every motherfucker that's in your way  
Hey you, what do you see?  
Something beautiful, something free?  
Hey you, are you trying to be mean?  
When you live with apes, man, it's hard to be clean  
The worms will live in every host  
It's hard to tell which one they hate the most  
The horrible people, the horrible people  
It's all anatomic as the size of your steeple  
Capitalism has made it this way  
Old-fashioned fascism  
Will take it away  
Hey you, what do you see?  
Something beautiful, something free?  
Hey you, are you trying to be mean?  
When you live with apes, man, it's hard to be clean  
There's no time to discriminate  
Hate every motherfucker that's in your way  
Hey, hey, hey, hey, hey, hey, hey, hey  
The beautiful  
people, the beautiful people  
The beautiful people, the beautiful people  
The beautiful people, the beautiful people  
The beautiful people, the beautiful people  
Hey, you, what do you see?  
Something beautiful and something free?  
Hey you, are you trying to be mean?  
When you live with apes, man, it's hard to be clean  
Hey, you, what do you see?  
Something beautiful and something free?  
Hey you, are you trying to be mean?  
When you live with apes, man, it's hard to be clean  
The beautiful people, the beautiful people  
The beautiful people, the beautiful people  
The beautiful people, the beautiful people  
The beautiful people, the beautiful people
