

# Nothing Like Us

Justin Bieber

Lately I've been thinkin', thinkin' 'bout what we had  
I know it was hard, it was all that we knew, yeah.  
Have you been drinkin', to take all the pain away?  
I wish that I could give you what you, deserve 'Cause nothing could ever, ever replace you  
Nothing can make me feel like you do.  
You know there's no one, I can relate to  
And know we won't find a love that's so true. There's nothing like us, there's nothing like you  
and me  
Together through the storm.  
There's nothing like us, there's nothing like you and me  
Together.  
I gave you everything, baby, everything I had to give  
Girl, why would you push me away?  
Lost in confusion, like an illusion  
You know I'm used to making your day. But that is the past now, we didn't last now  
Guess that this is meant to be.  
Tell me was it worth it? We were so perfect  
But baby I just want you to see  
There's nothing like us, there's nothing like you and me  
Together through the storm.  
There's nothing like us, there's nothing like you and me  
Together.  
There's nothing like us, there's nothing like you and me  
Together through the storm.  
There's nothing like us, there's nothing like you and me  
Together.
