Nothing Like Us

Justin Bieber

Lately I've been thinkin', thinkin' 'bout what we had

I know it was hard, it was all that we knew, yeah.

Have you been drinkin', to take all the pain away?

I wish that I could give you what you, deserve'Cause nothing could ever, ever replace you Nothing can make me feel like you do.

You know there's no one, I can relate to

And know we won't find a love that's so true. There's nothing like us, there's nothing like you and me

Together through the storm.

There's nothing like us, there's nothing like you and me Together.

I gave you everything, baby, everything I had to give

Girl, why would you push me away?

Lost in confusion, like an illusion

You know I'm used to making your day. But that is the past now, we didn't last now

Guess that this is meant to be.

Tell me was it worth it? We were so perfect

But baby I just want you to see

There's nothing like us, there's nothing like you and me Together through the storm.

There's nothing like us, there's nothing like you and me Together.

There's nothing like us, there's nothing like you and me

Together through the storm.

There's nothing like us, there's nothing like you and me Together.
