

Bad Like You

Ericka Jane

He knows how to make an entrance
He knows how it all goes down
He got all them wild intentions
Know how to make swayed downtown
But I'll be damned if I let him stay
And I'll be damned if I let him go
Oh I'd be damned if you get away
So I'm gonna keep you on a low Day and night we be grinding
Oh you got me you got me good
Day and night we be riding
I get high I get the high for you
Hold me tight we be grinding
Oh you got me you got me good
Day and night we be riding
I get high I get the high for you
Don't make me wait get me true
All you ever wanna do
Boy you got me bad like you
Boy you got me bad like you
Don't make me wait get me true
Take it, I'm all for you
Boy you got me bad like you
Boy you got me bad like you Since you came my hearts been racing
Know how to get inside my mind
I give you all that honey loving
I think you wanna take a bite
But I'll be damned if I let him stay
And I'll be damned if I let him go
Oh I'd be damned if you get away
So I'm gonna keep you on a low
Day and night we be grinding
Oh you got me you got me good
Day and night we be riding
I get high I get the high for you
Hold me tight we be grinding
Oh you got me you got me good
Day and night we be riding
I get high I get the high for you Don't make me wait get me true
All you ever wanna do
Boy you got me bad like you
Boy you got me bad like you
Don't make me wait get me true

Take it, I'm all for you
Boy you got me bad like you
Boy you got me bad like you You and me, boy
You and me X2 Don't make me wait get me true
All you ever wanna do
Boy you got me bad like you
Boy you got me bad like you
Don't make me wait get me true
Take it, I'm all for you
Boy you got me bad like you
Boy you got me bad like you X2
