

The Cool Kids

Break it, bop it, niggas beat box it I do what I do like I do it for TV  
 I guess what I'm doing I'm doing to keep the  
 Shoes on my feet sweeter than sweet pea  
 So you sucka MCs really can't outstep me  
 I grab em like I rock em from nine to five  
 Self-employed, kickin' is my hobby and job  
 Easy rock beats with bass, ladies callin me Rob  
 Bass, bass, bass, bass  
 I'm on my '88 shit  
 Cuban link chains and Gezel frame lens  
 Guess Jeans, stone-washed  
 Rockin' top 10 beats  
 Flickin' on my fit  
 I got my foot lookin like a '88 draft pick  
 Is that sick? It gets sicker than the flu  
 And sir, you came to pretend I'm you  
 Attain you a class on how to be cool  
 And in fact, I'm the superintendent of the school  
 Uh, yeah and I'm back on my job  
 I press and twist knobs  
 Just to make your head nod  
 All you wack rappers need to keep your day job  
 And my work here is done, I'm a take the day off  
 Do the smurf, do the wop, baseball bat  
 Rooftop, like I'm bringin '88 back  
 Do the smurf, do the wop, baseball bat  
 Rooftop, like I'm bringin '88 back  
 (Smurf it, wop it, at the bus stop and)  
 (Break it, bop it, niggas beat-boxin)  
 Do the smurf, do the wop, baseball bat  
 Rooftop, like I'm bringin '88 back  
 (Smurf it, wop it, at the bus stop and)  
 (Break it, bop it, niggas beat-boxin)  
 Do the smurf, do the wop, baseball bat  
 Rooftop, like I'm bringin '88 back  
 We know who this be, it's me, no secrets  
 Stuck to the beat and glued to the sequence  
 Igloos freeze, then we is  
 You can catch us walkin on the weekend  
 While you awkwardly breathin  
 From all the second hand smoke  
 Nigga, you a square

Lit you at the tip, blow it in the air  
We don't play fair  
And that's a fact  
Separate the people from the squares  
Like a nicotine patch  
Lookie here, quite honestly  
You're gonna have to pardon me  
I'm a modern day fly machine  
Yes sir, that's absurd  
But the best word to describe would be "ah"  
Piffed, mad as me  
Which hand is free?  
Shake the one that is and I gotta handle my biz  
Until I got the achin ribs  
Salute to all them scally-wags and fresh kids, yes  
Do the smurf, do the wop, baseball bat  
Rooftop, like I'm bringin '88 back  
Do the smurf, do the wop, baseball bat  
Rooftop, like I'm bringin '88 back  
(Smurf it, wop it, at the bus stop and)  
(Break it, bop it, niggas beat-boxin)  
Do the smurf, do the wop, baseball bat  
Rooftop, like I'm bringin '88 back  
(Smurf it, wop it, at the bus stop and)  
(Break it, bop it, niggas beat-boxin)  
Do the smurf, do the wop, baseball bat  
Rooftop, like I'm bringin '88 back  
We can dance if you want  
We can leave your friends behind  
Cause if your friends don't dance  
And if they don't dance  
Then they ain't no friends of mine  
Yo, it just hit me  
I'm the fresh prince  
And that means I'm Will  
And I chill with the chicks  
In the week on the real  
It might feel like a kick in the back  
From gorillas, but chill that's the skill that I pack  
Yes son, you need to rock while I do the wop  
Old schoolers bop cooler while we movin through the spot  
Dancin through the roof '88 frames on Adidas track suit  
Ask who? Be quiet when the game's on  
Cause I'm in championship  
And I going through time in my championship  
We cannot fall  
So I'm leaving you with these 3 words  
Yes, yes ya'll  
Do the smurf, do the wop, baseball bat  
Rooftop, like I'm bringin '88 back  
Do the smurf, do the wop, baseball bat  
Rooftop, like I'm bringin '88 back

(Smurf it, wop it, at the bus stop and)  
(Break it, bop it, niggas beat-boxin)  
Do the smurf, do the wop, baseball bat  
Rooftop, like I'm bringin '88 back  
(Smurf it, wop it, at the bus stop and)  
(Break it, bop it, niggas beat-boxin)  
Do the smurf, do the wop, baseball bat  
Rooftop, like I'm bringin '88 back  
Smurf it, wop it, at the bus stop and  
Break it, bop it, niggas beat-boxin  
Smurf it, wop it, at the bus stop and  
Break it, bop it, niggas beat-boxin
