I Never

Rilo Kiley

I'm only a woman
of flesh and bone
and I wept much
we all do.
I thought I might die alone
but I had never(x11) met you
so baby be good to me.
I got nothin to give you, you see
except everything, everything, everything, everything.
all the good and the bad.
cause I've been bad.
I've lied, cheated, stolen,
and been ungrateful for what I have
and I'm afraid habits rule my wake in life
and I'm scared
and I'm runnin'
in my sleep for you.
but all the oceans, and rivers and showers
will wash it all away and make me clean for you.
cause I have never(x15) met you.
so lets take a loan and put it down
on a house in a place we've never lived
in a place that exists
in the pages of scripts and in songs that they sing
and all the beautiful things
that can make you weep but don't have to make you weak
cause I never(x27) love somebody
the way that I loved you.
