

# Rose of Sharyn

## Killswitch Engage

Numb and broken,  
Here I stand alone,  
Wondering what were  
The last words I said to you  
Hoping, praying that I'll find a way  
To turn back time,  
Can I turn back time? What would I give to behold.  
The smile the face of love,  
You never left me,  
The rising sun  
Will always speak your name.  
Numb and broken,  
Here I stand alone,  
Wondering what were  
The last words I said to you  
It won't be long  
We'll meet again...Rock  
What would I give (What would I give), to behold  
The smile, the face of love?  
You never left me (You Never Left Me)  
The rising sun  
Will always speak your name  
It won't be long, we'll meet again  
Your memory is never passing  
It won't be long, we'll meet again  
My love for you is everlasting.  
I mourn for those who never knew you  
I mourn (I mourn) for those (for those) who never knew you (who never knew you)  
It won't be long, we'll meet again  
Your memory is never passing  
It won't be long, we'll meet again  
My love for you is everlasting.  
It won't be long, we'll meet again.  
It won't be long, we'll meet again.  
It won't be long, we'll meet again.
