## Gucci Mane

Twistin fingers in the club, I'm a young nigga  
I got them young niggas that will hide your body parts  
Pants saggin, flag hangin I'm a young nigga Yeah most my niggas rob they ain't gotta job  
I got a couple young niggas that'll take the charge  
So I don't bring a bodyguard I bring my entourage  
Stop the track pause... R.I.P. to Camoflounge
