

# Get Together

## The Youngbloods

Love is but the song we sing,  
And fear's the way we die  
You can make the mountains ring  
Or make the angels cry  
Know the dove is on the wing  
And you need not know why C'mon people now,  
Smile on your brother  
Ev'rybody get together  
Try and love one another right now  
Some will come and some will go  
We shall surely pass  
When the one that left us here  
Returns for us at last  
We are but a moments sunlight  
Fading in the grass C'mon people now,  
Smile on your brother  
Ev'rybody get together  
Try and love one another right now If you hear the song I sing,  
You must understand  
You hold the key to love and fear  
All in your trembling hand  
Just one key unlocks them both  
It's there at your command  
C'mon people now,  
Smile on your brother  
Ev'rybody get together  
Try and love one another right now  
Right now  
Right now!
