

Girls From Texas (feat. Lyle Lovett)

Pat Green

girls from georgia are sweeter than peaches, the ones from california are made for bathing suits
and beaches.

minnasota gal she'

ll fill out a sweater but the girls from texas are just a little bit better.

mississippi'

s got all them delta queens, lousiana cajun girls beat all iv'
e ever seen, ever kiss a girl from kansas you damn sure won'
t forget her, but the girls from texas are just a little bit better.

feel the southern draw from the ones in arkansas, they'
re so sexy in new mexico, but the only 10 i see ain'

t in tennessee she'

s waiting for me in san antonio.

up in oklahoma they more than just o.

k.,

they don'

t come more fun than a.

l.

m.

a., but if you can find a lonestar gal boy you better get her cause the girls from texas are just a
little bit better.

it don'

t get no finer than the girls in carolina i'
m talking north.

i'

m talking south, but the only 10 i see ain'
t in tennessee she'

s waiting for me in old cow town.

up in colorado they can melt the snow, out in nevada they always putting on a show, new yorks
got the fashion, florida got the weather,
but the girls from texas are just a little bit better.

once you cross that red river hoss you'

ll stay there forever cause the girls from texas are just a little bit better.
