

Destroy Everything

Hatebreed

A new life begins Destroy everything
Destroy everything
Destroy everything
Obliterate what makes us weak
Destroy everything
Destroy everything
Destroy everything
Decimate what threatens me
Cleanse this world with flame
End this, cleanse this
Rebuild and start again
Obliterate what makes us weak
End this and embrace the destruction
End this to embrace new life (new life)
Even an empty threat deserves a response you won't soon forget
I must destroy everything that tries to infect
Even an empty threat deserves a response you won't soon forget
I must destroy everything that tries to infect Destroy everything
Destroy everything
Destroy everything
Obliterate what makes us weak
Destroy everything
Destroy everything
Destroy everything
Decimate what threatens me
Cleanse this world with flame
End this, cleanse this
Rebuild and start again
Obliterate what makes us weak
End this and embrace the destruction
End this to embrace new life (new life)
Even an empty threat deserves a response you won't soon forget
I must destroy everything that tries to infect
Even an empty threat deserves a response you won't soon forget
I must destroy everything that tries to infect A new life begins Destroy everything
Destroy everything
Obliterate what makes us weak
Destroy everything
Destroy everything
Destroy everything
Decimate what threatens me
Destroy everything

Destroy everything
Destroy everything
So a new life can begin
Destroy everything
Destroy everything
Destroy everything
Rebuild and start again
Again
Again
Again
