

Lovers Again

Bonnie Tyler

"I got pictures of you
In funny poses
letter's from you with
fresh yellow roses
i've got souvenirs of
fun times together
and i'll shares thoses years
and you can bury it foreverchorus
I know we'll be lovers again
Darling
I know we'll be lovers again
It's a matter of time
Till you see that i'm
The one in the end
I was your friend
Lovers again
I got pictures of you
With Stollen kisses
We look so young and so fool of promise
And we Had those dreams
But their not forgothen
Cos i build that house
With the yellow rose gardnerchorus
I know we'll be lovers again
Lovers again
Darling
I know we'll be lovers again
It's a matter of time
Till you see that i'm
The one in the end
I was your friend
Lovers again
Uhuhuhh ohohohh
There's a picture of you
In yesturdays paper
But that's not a new
And the new name you taken
And i'll live each day
Without be in bitterl
