

# This Fire

## Franz Ferdinand

Eyes  
Boring a way into me  
Eyes  
Destroying so sweetly  
Now  
There is a fire on me  
A fire that burns This fire is out of control  
We're going to burn this city  
Burn this city  
This fire is out of control  
We're going to burn this city  
Burn this city  
This fire is out of control  
This fire is out of control  
This fire is out of control, oh how I burn  
Eyes  
Boring a way into me  
Paralyse  
Controlling completely  
Now  
There is a fire in me  
A fire that burns This fire is out of control We're going to burn this city  
Burn this city  
This fire is out of control  
We're going to burn this city  
Burn this city  
This fire is out of control  
We're going to burn this city  
Burn this city  
This fire is out of control  
We're going to burn it, I'll burn it, I'll, I'll, I'll burn it  
Eyes  
Burning a way through me  
Overwhelm  
Destroying so sweetly  
Now  
There is a fire in me  
A fire that burns This fire is out of control  
We're going to burn this city  
Burn this city  
This fire is out of control  
We're going to burn this city

Burn this city  
This fire is out of control  
We're going to burn this city  
Burn this city  
This fire is out of control  
And I'm, I'm out of control and I burn  
Oh how I burn for you  
Burn  
Oh how I burn for you  
Burn  
How I burn  
How I burn  
Oh how I This fire is out of control  
We're going to burn this city  
Burn this city  
This fire is out of control  
We're going to burn this city  
Burn this city  
This fire is out of control  
We're going to burn this city  
Burn this city  
This fire is out of control  
We're going to burn it, I'll burn it, I'll, I'll, I'll burn it
